### Instant Copy Camera

"Custom-Sixty Polaroid Coin and Stamp Camera Unit. A self contained, prefocused easy-to-operate camera with built in copy stand and light. This unit is completely portable with instant results. Produces one-to-one photos using Type 107 Polaroid film. No special photographic ability needed. (We used this type of camera up to 1977 for the illustrations in our auction catalogs. A similar camera is used by Seaby's for photographing museum specimens to be used in their Standard Catalogs). The print is 3¼ by 4¼ inches allowing more than one coin to be photographed at the same time.

Suggested uses: Illustrations for fixed price lists. Dealer record of better stock or coins sent on approval. Photographic service at shops, shows, clubs, or museums. Die variety records, insurance records, etc.

Unit size: 5½ x 11 x 11 inches. Please specify model.

Domestic 110 volt model \$200. Overseas 220 volt model \$225. (We recommend that overseas orders be shipped by air which is an additional \$30).

### Ordering Instructions

Send payment with order please. Add \$1.50 per book for postage and insurance. On orders of 3 or more books, we will refund any excess postage. Overseas orders add \$3 if you want shipment registered. On requests for air mail delivery, we will bill the actual postage. Note: All books are in new condition.
